Haringey Reach and Connect is borough wide service providing information, support and friendship to local people over 50.

Please call **020 3196 1905** if you are looking for additional support, or alternatively you can make a referral through this link: <https://reachandconnect.net/get-support>

or email us here: hello@reachandconnect.net

Our service is 'light touch' and non-specialist, with a focus on signposting, short term support and workshops to help over 50s in Haringey to build confidence and achieve goals.

People who are in need of support or friendship can refer themselves directly to us. Our offer won't be right for everyone, but if it's not, we'll ensure that the right kind of support is found. We also accept referrals from local organisations, groups, family and friends.

The following information is to support residents to access local activities, but request that you please contact the organisers *directly* to find out more.
