Eco Urban Pop-in Mornings

Take control of your energy bills
Monday 2nd October

At Home with Smart Meters

- Join our interactive workshop on how to take control of your energy bills. Support guidance and signposting delivered by specialist energy advisors and local community organisations.
- Introduction to the benefits of installing a smart meter which is a device that measures your gas and electricity usage in real time.
- Live demonstration how to view your costs in pounds and pence on and in-home display.
- Tools to track your energy use over time and see how your habits affect your bills.

Date: Monday 2nd October

Time: 12.30pm - 2.30pm
